

Disassembling Samsung Epic 4G Phone Case

Removing the back panel of your phone case.

Written By: Andrew Cunningham

INTRODUCTION

This guide tells you how to remove the back or rear panel of the Samsung Epic 4G, which is an important first step in working with the internal parts of the phone.

Step 1 — Phone Case

- Slide your fingernail along the edge of the device and pull at the plastic backing.
- ⓘ While pulling the plastic backing apart from the device, you will hear a snap sound which signals that the backing has detached.

Step 2

- Pull at the plastic backing gently to remove it after hearing the snap sound.
