Hello Zee Smart Core Front Case Replacement

We will replace the front case (plastic side) of the Hello Zee Smart Core

Written By: Levi G

INTRODUCTION
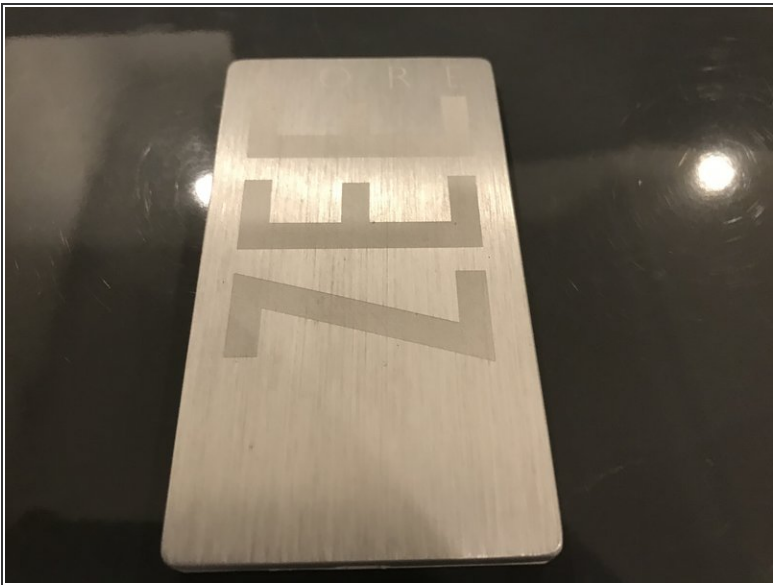

We will replace the front (plastic) case of the Hello Zee Smart Core.

🔧 **TOOLS:**
- Metal Spudger (1)

Step 1 — Front Case

- This model is 64GB
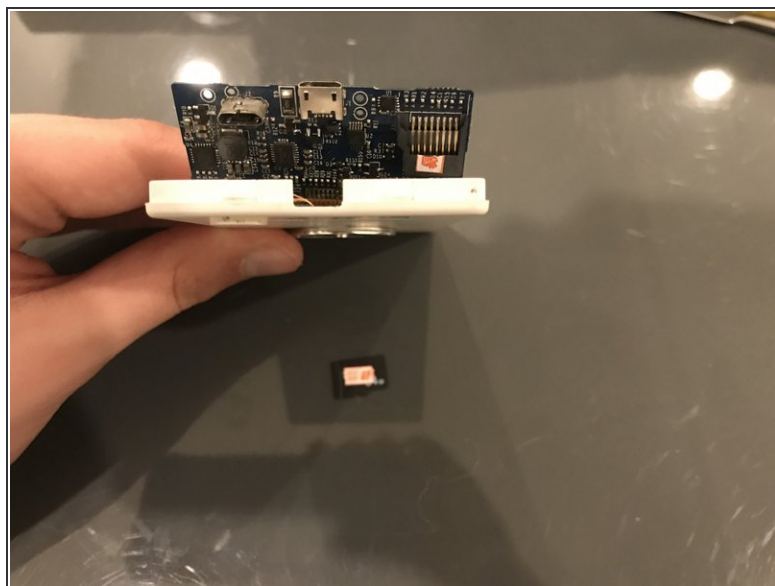

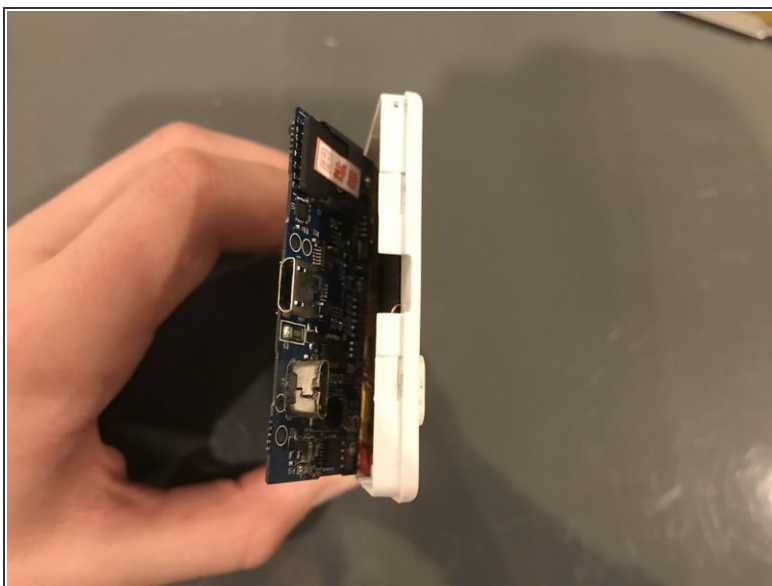

Step 2 — Opening

- Insert the spudger into a corner and separate the halves

- Do not puncture the battery

Step 3 — Main board unmounting

- Use your spudger's pointed tip to unscrew the screws

Step 4 — Board removal

- Use your spudger to pry up the board from the sides

- Do not break it

- Do not pry from the battery side

This document was generated on 2021-03-13 06:09:13 PM (MST).

Step 5 — Electronics removal

- CAREFULLY pry under the battery to remove it
  - there are no permanent adhesives, though there may be sticky tape
- Spectate everything from the case

To reassemble your device, follow these instructions in reverse order, using your replacement case instead of the one described.
