

# How to Perform a Battery Cycle Reset

Use this guide to perform a battery cycle reset...

Written By: Alex Diaz-Kokaisl

# **INTRODUCTION**

Use this guide to perform a battery cycle reset on your Samsung phone or tablet. You should perform this reset whenever you change the battery for your Samsung device.

This procedure currently only works for the S20, S21, S22, and Tab S7+ models. Fan Edition (FE) models are not supported. This guide will update as Samsung adds more compatibility. For more information, refer to the <u>Samsung Self-Repair document</u>.

Note: the device used is a Samsung Galaxy Tab S7+, but the procedure is identical across all Samsung devices.

#### My Files n a = \* \* 28 • 28 • Recent file Installation files 14.14 ME IT Date SRA.U.1.0.4.apk Videos 14.14 ME Audio files Ø •••• Ø Downloads Installation files Internal storage M $oldsymbol{eta}$ M Alarms Android

#### Step 1 — Download the app

- Download the Self Repair Assistant app <u>here</u>.
- ② You may be prompted with a "<u>File might be harmful</u>" warning. If so, select "Download anyway."
- Open the "**My Files**" app.
- Navigate to the "**Installation files**" tab on the left side of the screen.

St	Step 2 — Install the app						
=	®	My Files	D Q :	<ul> <li>→ Documents</li> <li>→ Downloads</li> </ul>			
<u>ک</u> ا	Images Videos	Installation files SRA.U.1.0.4.apk Jan 19 12:55 PM	14.14 MB J∓ Date ↓ 14.14 MB	Installation files      Internal storage     42.44 GB / 128 GB			
ъ С	Audio files Documents	Jan 19 12:35 FM	14,14 MD	<ul> <li>C Alarms</li> <li>➢ Android</li> <li>➢ Android</li> <li>➢ Self Repair Assistant</li> <li>Do you want to install this app?</li> </ul>

~ [] C	Internal storage 42.44 GB / 128 GB			<ul> <li>Documents</li> <li>Download</li> </ul>			
> С	Android			Movies			

Select the app on the right side of the screen.
 If the app doesn't show up on this panel, skip to the next step.

- Select "**Install**" to confirm the app's installation.
- Skip the next two steps.

### Step 3 — Rename the app

Recent files	Downloads	S Recent files	Downloads	SD card Not inserted

V D Internal storage 42.40 GB / 128 GB		Internal storage 42.40 GB / 128 GB				Rename
C Alarms		🗅 Alarms				Add to Home screen
> 🗀 Android		> 🗅 Android				Move to Secure Folder
Audiobooks		Audiobooks			Move Co	<b>≺ @ :</b> thare Delete all More

- (i) If your app didn't show up on the "**Installation files**" tab, follow the next two steps to rename the file.
- Navigate to the "**Downloads**" tab on the left side of the screen.
- Long press the download file until an orange checkmark appears to the left of it.
- Navigate to the bottom of the screen and select the "**More**" option.

Step 4	:
