

# Samsung Juke Battery Replacement

Disassemble pre-existing battery to replace...

Written By: Renee Kuzniar

# INTRODUCTION

Disassemble pre-existing battery to replace with a new one.

## Step 1 — Battery

- Press and hold down the button on the bottom side of the phone with your finger.

## Step 2

- While holding the button down, remove the back cover of the phone.

To reassemble your device, follow these instructions in reverse order.
